

15th Annual
2007 Inland Empire 3-Gun Results
September 29th and 30th

Thanks one and all who attended this match, the weather held out all weekend except for Friday when the RO's had to quack,,,,I mean shoot :-)
Thank you all for helping set up and tear down.

HELPERS

A special thanks to Rick Schoonmaker, Mark Carbon, and Jim Youngman in helping set up this match. Thanks to Glenn Travis who brought his trailer and to Rick and mark in helping tear everything down. A very special thanks to Matt Martin, our new pig roaster, for the awesome lunches both days! Matt built that trailer just for this match a few weeks ago after work.

MATCH INPUT

Please take the time to write me back with "the good, the bad, and the ugly" so that mistakes will not carry through to next years match. Also please let me know about making this a one day match, lowering the entry fees and doing away with the prize table, awards, and Team Event. We will still run this as a 50 shooter match whether it runs 1 or 2 days.

SPONSORS / PRIZES

On the SPPL website at www.sppl.us we have a link to our clubs sponsors. Throughout the year, please write them and thank them for their support. More importantly, is to purchase their products and tell them you support them. All donations and gifts come from their profits and they alone can choose who to support. Our prize table exceeded \$7500 and all the Thank You cards that you filled out were put in the mail yesterday. This generosity and outpouring of support needs to be appreciated, remember to support those who support us!

DPMS AR-15

The winner of this years top prize was Nolen Merkley from Ephrata, WA. Nolen is a tireless helper at Carl's range and was drawn by random shooter numbers by Kira Schoonmaker at the shooters meeting. A huge "thank you" to Randy Luth and DPMS who gave us this gun and were the Match Sponsor.

TEAM EVENT

This is our first year running a Team Event but I think that all had fun and the shooting was fast and furious using the Chevy Team Challenge approach with some tag team type shooting. This Team Event had 9 special metal IPSC target plaques made up for Teams 1-2-3

The team was co-picked so you could shoot with one of your buddies and the winning Team only had one shooter in the Top 18 match Overall scores!

1. Aaron G / Neill G / Micah W 38.27
2. Adam M / Don W / Bill S 41.17
3. Rick S / Matt M / Tim M 46.30

8. Wayne S / Jon G / Greg B 75.77
9. Pete B / Mike F / Ryan R 88.06

Thanks again to one and all for attending and shooting. Thanks too for your efforts in taping, picking brass, resetting steel, replacing broken clays & briquettes, for helping tear down at the end, for helping set up the Team Event, and for helping keep the range clean.

This is the first year that we had no DQs so a special thanks to every shooter for being safe. I know that each stage description was warning of safety infractions but you all shot a clean match as there is no winners in giving a Match DQ.

Great Job one and all, I hope to see you all back in 2008!
