

Thanks to all for a great match at our first Boomstick Steel. We had a great turnout, with 22 shooters.

Thanks also to those who helped setup and take down the targets and stands. Special thanks goes to Bill Sahlberg who helped us get this off the ground. We learned a few things and will strive to make the next match better than the last.

The next Boomstick Steel match is scheduled for June 10, 2008, at Fernan. Hope to see you all there.

Ryan Collins and Glenn Travis
