

Thanks to all for a great match. We had seven shooters, which included four new shooters. We had 5 stages, Smoke N Hope, Zig Zag, Speed Option, and Outer Limits. For the fifth stage we brought out the six inch plate rack. Since most had problems with the plate rack, I have listed the times but is not included in the total.

Thanks again to those who helped setup and take down the targets and stands. Without your help this would be difficult to run.

The next Boomstick Steel match is scheduled for September 13, 2008, at Fernan.
