

As many of you know, SPPL has lost all its user privileges at FRGC where we have hosted the EBMMM the past 10 years. We need your support more now than ever and are continuing the 11th Annual EBMMM just down the road 35 more miles from the old FRGC range on July 30 at the Shoshone County Shooting Range in Smelterville, Idaho.

There is a covered 200 yd rifle line, 50 yd pistol bay, outdoor clubhouse, and multiple use bays where we will be shooting. This is a new Public Range and has been funded through the NRA and local community efforts.

We will not be a sanctioned Steel Challenge event this year, nor have a prize table, but will run all 7 stages of the EBMMM at a reduced rate of \$25. Bring your own food and water. There may also be concessions sold as a fundraiser for the range. We will have trophies for 1-2-3 in each division. We also want you to RSVP and send to Match Director, Rick Schoonmaker the attached form on or before July 15<sup>th</sup> so we may have a good headcount. We are trying not to get match day sign ups. Shooting a second gun will cost another \$20 and require a second entry form.

We realize this is short notice but we have not given up on this match just because we lost the FRGC range use. In fact, I am asking everyone who gets this to email me if you are planning to come. If you are coming from out of town and spending a night, you can find rooms in Kellogg as the range is just 5 minutes away. This is a short list of hotels. The internet has a better list with the toll free numbers. Unfortunately, there is no camping allowed on the range. There are however, several nice campgrounds in the area.

The Super 8: 601 Bunker Ave Kellogg, ID 1-800-785-5443

The Silver Valley Inn: 611 Bunker Ave., Kellogg ID 1-208-783-1234

The Alpine Village Resort: 308 Ohio Ave., Kellogg ID 1-208-783-2757

**Directions to the range:**

Exit 48 on I-90. Turn south until the road T's. Turn east (left). Drive about a ½ mile turn south (right) and drive up the canyon 2 miles to the range.
